

## Description

Multifunctional household lockers help in keeping order and household items. The universal design allows you to store clothes, cleaning agents and cleaning equipment. Their dimensions correspond to other wardrobes, so you can combine utility wardrobes with stands and other furniture. An additional advantage of this solution is that it can be additionally equipped with legs, socle, base or slanted top. You can also install a practical extension that increases the storage space for detergents and cleaning agents. Utility cabinets are available in the following options:

- with 4 fixed shelves (MSU 60, 80)
- with a vertical compartment, 4 shelves in the left part, shelf and a bar with 3 hooks for clothes in the right part (MSU 61, 81)
- with a compartment with holders for brushes and mops, and a place for a bucket (MSU 62, 82) and box with 4 shelves
- with a vertical compartment, where both parts have a shelf and a bar with 3 hooks for clothes (MSU 63, 83)

## Description of markings

The 5-year warranty proves that we are confident in our products due to the high quality of execution and their reliability. We want you to feel safe and be satisfied with the cooperation with us.

The ISO certificate confirms compliance with standards and the high quality of products and services we offer.

We offer 16 colors from the RAL palette - as standard. Therefore our furniture fits to any interior.

The use of zirconium coating technology provides a very good protection against corrosion. Additionally, this process improves paint adhesion.

PZH hygienic certificate is granted for a product that does not adversely affect human health and the natural environment.

We test lockers in our own laboratory, the Research and Development Center (CBR). This ensures that the tests are comprehensive and carried out correctly.
