

Description

SBM cabinets with hinged doors are the optimal solution for increasing the storage space for documents. SBM cabinets are available in many interior configurations. The furniture does not require assembly, so it gains strength and stability. The sliders make moving the cabinet much easier, but the levelling feet (within 10 mm) adjustable from the inside allow for levelling the cabinet in the room. Adjustable shelves every 25 mm, make SBM metal cabinets universal in use. The contents of the cabinets are protected by doors equipped with a lock. SBM cabinets with hinged doors are characterized by a timeless design at once ensuring the safety of stored items. The cabinets meet the requirements of the GDPR. For SBM cabinets available are also special tops.

Features

Version M lx

- 5-year warranty (according to the terms of Malow products warranty).
- Cabinets made of 0.7 mm thick steel sheet.
- Lock that blocks the door at 2 points (top and bottom).
- 0.7 mm thick shelves with a load capacity of up to 65 kg.
- Adjustable shelves every 25 mm, which makes SBM cabinets universal in use.
- Cabinet equipment options in:
 - pull – out shelves

Opis oznaczeń

5-year warranty shows that we are confident in our products due to high quality workmanship and reliability. We want you to feel safe and satisfied with working with us.

PZH approval is granted for a product that does not in any way adversely affect health or the environment.

We offer 16 RAL colours as standard. Thanks to this our furniture can be matched to any interior.

Cabinets meet RODO requirements.

ISO certification confirms compliance with standards and the high quality of products and services we offer.

Zircon technology provides very good corrosion protection for our products. In addition, this process improves paint adhesion.

We test our products in our own laboratory, the Centre for Research and Development (CBR).

Our products meet TÜV Rheinland standards, as confirmed by the GS mark.
