

Description

MSUS standing canteen lockers are used to store food products and small personal belongings. They are used in canteens, buffets and dining rooms. MSUS canteen lockers have 10 compartments in each column. This solution offer many lockers in a small space.

The furniture does not require assembly, thanks to which it gains in strength and stability. As standard, the cabinets are available in 16 colors at no extra charge. The lockers have five-year guarantee! In the first period (24 months), the Guarantor is responsible for all manufacturing defects of the product. In the remaining period (36 months), the Guarantor is responsible for the functional properties of the product, such as the varnish coat and durability of connections of the product elements (welding).
